

AMENDED IN SENATE MARCH 25, 2004

SENATE BILL

No. 1650

Introduced by Senator Chesbro

February 20, 2004

An act to amend Section 12798.1 of the Food and Agricultural Code, relating to pest control.

LEGISLATIVE COUNSEL'S DIGEST

SB 1650, as amended, Chesbro. Pest control: ~~Pierce's disease~~ *Pierce Disease*.

Existing law appropriates \$750,000 each year for 3 specified fiscal years from the General Fund to the Secretary of Food and Agriculture for the purpose of funding, on a competitive basis, ~~Pierce's disease~~ *Pierce Disease* research. Existing law also requires the secretary to appoint an advisory task force consisting of scientific experts, including, but not limited to, university researchers and agricultural representatives, for the purpose of advising the secretary on research to control and eradicate ~~Pierce's disease~~ *Pierce Disease*. Existing law repeals this provisions on January 1, 2005.

This bill would delay the repeal to an unspecified date until January 1, 2010.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 12798.1 of the Food and Agricultural
- 2 Code is amended to read:

1 12798.1. (a) In addition to the program described in Section
2 12798, the sum of seven hundred fifty thousand dollars (\$750,000)
3 is hereby appropriated each year for each of the following fiscal
4 years, 1999–2000, 2000–01, and 2001–02, from the General Fund
5 to the Secretary of Food and Agriculture for the purpose of
6 funding, on a competitive basis, Pierce Disease research. The
7 disbursement of these funds shall be exempt from the requirements
8 of Sections 12798 and 12798.6.

9 (b) The appropriation for each year pursuant to subdivision (a)
10 shall become operative only upon an annual commitment during
11 that year of at least two hundred fifty thousand dollars (\$250,000)
12 in private contributions from the California viticulture and
13 enology industry.

14 (1) The secretary shall appoint an advisory task force
15 consisting of scientific experts, including, but not limited to,
16 university researchers and agricultural representatives, for the
17 purpose of advising the secretary on the control and management
18 of Pierce Disease. The task force, in consultation and cooperation
19 with the American Vineyard Foundation, shall make
20 recommendations to the secretary on projects to be conducted in
21 a competitive grant program for Pierce Disease research. The
22 program is open to all California public institutions with research
23 capabilities to address the needs of the California viticulture and
24 enology industry.

25 (2) Members of the advisory task force, or alternate members
26 when acting as members, may be reimbursed, upon request, for
27 necessary expenses incurred by them in the performance of their
28 duties.

29 (c) This section shall remain in effect until January 1, ~~2010~~,
30 and as of that date is repealed, unless a later enacted statute,
31 that is enacted before January 1, ~~2010~~, deletes or extends that
32 date.
